**Subject:** Inspector General List of Ineligible Candidates

Mr. Holder,

As a follow-up to your office visit this morning; and, per your direction I am providing the list of candidates that OHR determined that did not meet minimum qualifications for the Inspector General position for a re-evaluation by the panel.

OHR maintains its opinion that the applicants below did not meet minimum qualifications; and I have advised that this practice is not appropriate. OHR is also available to discuss their evaluations/determinations for each candidate.
